

Bring your classroom to the Museum!

ONSITE MUSEUM TOURS

Explore a Japanese Washitsu, Nigerian Marketplace, World Clothing Gallery and more!

Choose the tour option that's best for your class or group!

In order to help ensure children have the best experience possible, we require 1 adult chaperone per 4 students. There is **no charge** for chaperones or school personnel. Due to space limitations, maximum attendance is strictly enforced and reservations are required at least 2 weeks in advance for all tours.

Thank you for your cooperation.

GUIDED TOURS

Explore & Create (90 minutes):

Includes a guided museum tour, an art project and 30-minutes of free play for up to 30 students.

\$4 per student + \$85 educator fee

Explore & Discover (90 minutes):

Includes an educator-led lesson about a specific culture (Japan, Nigeria, or China) as well as 30-minutes of free play for up to 30 students.

\$4 per student + \$85 educator fee

SELF-GUIDED TOURS

Bring your group of 20 or more for 90-minutes of play and fun in our Museum galleries.

\$4 per student, maximum of 45 students

To schedule an education program, call or e-mail the Museum Educator at **(518) 793-2773 x 303** education@worldchildrensmuseum.org

School program fees may be eligible for BOCES Arts in Education aid.

For more information, call 518 793 2773 x 303 or e-mail education@worldchildrensmuseum.org

EDUCATIONAL OUTREACH SERIES

Preschool - Grade 2
60-minute Primary Programs

Celebrate Chinese New Year

An introduction to the Chinese New Year Festival, students learn through hands-on stations with authentic clothing, objects and a make-and-take project that brings this celebration to life.

\$140 + mileage

World Food: What Should I Eat?

Explore the use and impact of corn, rice and wheat in world cultures. Hands-on stations include measurement, setting an international table, and a make-and-take project.

\$140 + mileage

WORLD CLOTHING: What Should I Wear?

A fun program explores how people's geographic location influences their choices in what to wear. Interactive stations include clothing to try on, a matching game with international dolls, and an art project.

\$140 + mileage

Grades 3-6
75-minute Intermediate Programs

Cultural Aspects of Clothing

Through interactive stations and hands-on activities, students examine how people's cultural background, geography, and climate affect the clothing they wear.

\$150 + mileage

Chinese New Year Traditions

Study the traditions and customs of Chinese New Year, learn some Mandarin phrases and create an authentic make-and-take project.

\$150 + mileage

World Food: Great Grains

Examine three major grains (corn, rice and wheat), why people around the world traditionally grow, cultivate, and eat those grains, and what part they play in daily life.

\$150 + mileage

Discover Brazil

Through hands-on stations and activities, students explore three major regions of Brazil and how climate, geography and natural resources affect the way people live.

\$150 + mileage

NEW!

Flags and Countries

Learn about flags, governments, and the reason we have a constitution. Students will create their own country, come up with a constitution, design a flag, and decide how they want their country to run.

\$150 + mileage

NEW!

Building Buildings

A look at buildings in Glens Falls and how they are connected to cultures around the world. How do architects design buildings? Students build their own and discuss resources, design and use.

\$150 + mileage

Grades 3-10
60-minute Program

MEXICAN CELEBRATIONS: Day of the Dead

Culture comes to life through hands-on stations, art and authentic objects as students learn about this significant Mexican celebration of ancestors. Adaptable for middle/high school groups, this program gives important context to Day of the Dead and its role in Mexican culture and heritage.

\$140 + mileage

Welcome Home Series

Grades 3-6
75-minute Programs

The *Welcome Home Series* is made possible with public funds from the New York State Council on the Arts (NYSCA).

Welcome Home, Japan

Through the use of objects and art, students will explore a traditional Japanese home and learn how it is similar and different from their own home.

\$150 + mileage

Welcome Home, Nigeria

Students will explore the contrasts and common elements between homes in the cities and homes in the villages of Nigeria.

\$150 + mileage

Welcome Home, Bedouins (UAE)

Children will learn, compare and discuss culturally-based gender roles in the home as part of traditional Bedouin society.

\$150 + mileage
