

32ND INTERNATIONAL CUISINE DINNER & AUCTION

SUNDAY, MAY 22, 2022

A gala to benefit the World Awareness Children's Museum

Dear Chefs and Culinary Artists,

As we are preparing for the **32nd Annual International Cuisine Dinner and Auction** on **Sunday, May 22, 2022**, we are looking for local restaurants and catering services to offer unique and authentic dishes to showcase their flavors at our event! We are expecting over 200 guests who enjoy trying new and exciting foods from around the world.

There is no participation fee, but we do ask that participants donate a gift card for inclusion in the Auction.

The International Cuisine Dinner features the following:

- **Appetizers** are offered during the cocktail portion of the event. Participating restaurants are invited to display promotional materials.
- **Entrees** will be offered by 10 restaurants. Restaurants are encouraged to decorate their table and include menus and promotional materials. This is an amazing opportunity to meet new people and answer questions about your restaurant and/or culinary services. We are asking for one representative from your restaurant to be at the event to serve your tapas-size portions.
- **Desserts** are featured at the conclusion of the evening from a variety of participating restaurants.

Please see the attached form for more details. This year we are asking that you provide a cell phone number for an easier contact for confirmation and reminders. You will also receive a copy of the form confirming your participation in this year's event and additional information in early May.

THIS IS A CAN'T-MISS EVENT!

If you would like to take part, please complete the attached form and return by April 1, 2022, to fundraising@worldchildrensmuseum.org or mail to
