

Discover the world with exclusive Museum Member benefits!

The World Awareness Children's Museum is a unique, interactive, hands-on museum with a mission to bring our diverse world to children. We do this by inspiring children to appreciate diversity by collecting, sharing, and interpreting international children's art.

Museum Members enjoy many valuable benefits including free admission, gift shop discounts, special offers on workshops and programs, special invitations to events, and more.

We offer a variety of levels and invite you to choose the option that is best for you.

In addition to the benefits your family receives, your membership supports the Museum's efforts to make educational programming accessible to all.

Membership applications can be mailed to the Museum or returned to the Front Desk. You can also purchase your membership online at worldchildrensmuseum.org.

Memberships are tax-deductible to the fullest extent allowed by law.
